

Foundation Of a Registered Association

Foundation Meeting

Dear trans*, inter*, nonbinary, genderqueer people and allies,

TINQnet began as a network of various organizations, groups and individuals who wanted to collaborate when organizing individual specific events, such as the Transgender Day of Remembrance. Since then, the network has grown and developed. TINQnet organizes events on a regular basis, enhances visibility in the context of CSD and offers regular TINQ swimming events in cooperation with the LGBTIQ swim club, Isarhechte.

Our goal is to unite in all our diversity, to join forces and hence become more visible.

Our main target is the opening of a center for trans*, inter*, non-binary and queer people in Munich.

It is time to turn this loose collective into a registered association to be heard as a legal entity.

We are planning the foundation of TINQnet as a registered association!

Therefore, we invite you to the **foundation meeting on Sunday, July 16th, 2023, from 10:00 a.m., at the Sub** (the Gay Communication and Cultural Center Munich e.V., Müllerstreet 14, 80469 Munich). Please **come early – the center opens at 9:00 a.m. – so** there is enough time to complete the registration of participants prior to the actual meeting.

The preliminary agenda:

1. Arrival of participants and registration
2. Official opening of the meeting
3. Finalization of attendance list / quorum
4. Election of meeting chairperson, voting rights, agenda, etc. by simple majority vote
5. Discussion of foundation (preliminary development, motives, goals, ...)
6. Passing of the articles of association
7. Election of the board
8. Assignment of board to register association officially
9. Outlook / Miscellaneous
10. End of meeting

Preliminary time schedule:

- From 9.00 a.m. arrival and registration
- 10.00 a.m. opening
- 12.00 noon – 1.00 p.m. lunch break
- 3.00 p.m. – 4.00 p.m. coffee break (sub opens for the public at 3.00 p.m.)
- 6.00 p.m. End - adjournment no later than 7.00 p.m.

To make things easy, **we ask all participants to register in advance.**

We want to make sure there is space for everyone attending. Should the number of registrations exceed the available seats, we will start a waiting list and inform you accordingly.

We also want to simplify the registration process and make sure the minutes are correct. **Only registered participants will be able to vote.** Founding members must register with their name and address. The official registration of the association requires sending the minutes to the local court.

Please think about whether you want to become a simple founding member or assume a responsible role, for example, as a member of the board. Maybe you can support us in other ways, e.g., taking minutes, keeping the list of speakers or helping with the organization in general.

The meeting will be held in German. In you need **translation into another language**, or can provide translation for others, please let us know by July 9th, 2023. We are trying to provide translation into English. Other languages will only be available if someone offers to translate.
